Virginia L. Moore, Executive Director of the Kentucky Commission on the Deaf and Hard of Hearing has worked in partnership with the deaf and hard of hearing community all her life. Born into a strong deaf family, her work ethics and values have been shaped by this community's culture and language. Ms. Moore graduated from Indiana State University and holds the highest level of certification from the National Association of the Deaf, the National Registry of Interpreters of the Deaf, and the National Interpreter Certification.

Virginia has worked at KCDHH since 1995 and has served in many capacities. Now as Executive Director, she has witnessed many innovative changes; including expansion of the statewide program to provide telecommunication devices in the Commonwealth; implementation of the Access Center which coordinates interpreter services for all state agencies and continues to be instrumental in hosting DeaFestival-Kentucky. Virginia has also served as a professional interpreter for the United States Deaf Sports Federation, the United States Deaf Olympic Committee and the Kellogg International Foundation.

Her commitment to the deaf, hard of hearing and speech impaired consumers of the Commonwealth is outstanding and her staff supports the programs administered by the agency with great loyalty and enthusiasm.

The meeting is realtime captioned by McLendon-Kogut Reporting Service and is free and open to the public.
